MANISHA GUPTA

Instructional Designer & E-Learning Developer

Bengaluru, India | +91 8120768008 | manisha.gupta2706@gmail.com | | manishag.tech

SUMMARY

E-Learning and Instructional Design Specialist with hands-on experience designing interactive learning experiences, implementing LMS platforms, and developing curriculum across education, health, real estate, and technology sectors.

WORK EXPERIENCE

Instructional Designer & E-Learning Developer | eLearnify360 **2024 - September 2026**

- Designed and developed interactive e-learning courses and instructional content for clients across multiple sectors.
- Conducted needs analysis, wrote learning objectives, and built storyboards to guide course development.
- Delivered accessible, engaging learning experiences aligned to measurable learner outcomes.

Instructional Designer | Health and Safety Experts **2024**

- Designed health and safety compliance courses using scenario-based learning to engage workplace learners.
- Covered hazard identification, risk assessment, and workplace safety protocols.
- Built training materials that meet regulatory safety standards.

Curriculum Developer & Instructional Designer | Vertical Academy **2024**

- Developed full curriculum and course content for an online learning academy from the ground up.
- Designed learning pathways and structured course modules aligned to learner outcomes.
- Translated subject matter expertise into clear, engaging instructional content.
